When Allan's perfect day in the park is interrupted by a chance encounter with a beautiful young woman, his life is instantly ripped open, testing the limits between love, loyalty, family, and unfortunate delusion. Told with humor and truth, Playwright **Matt Owen's** break-out new work, *THE GIRL IN THE PARK*, digs into what we find when we look too close at love.

*THE GIRL IN THE PARK* marks Matt Owen's first foray into writing for theater, building on his work as the creative wunderkind behind the cult hit web series **EVERY OTHER WEDNESDAY**. Director **Jesca Prudencio** (*TRACES OF ERUPTION*; assistant to Ping Chong's *THE DEVIL YOU KNOW*, among others) leads an all-star cast including **Tom Patrick Stephens** (*GABRIEL* at Atlantic Theater Co), **Christy McIntosh** (*EVIL DEAD: THE MUSICAL*), **Burt Grinstead** (Pennsylvania Shakespeare's *JULIUS CAESAR*) and **Ana Nogueira** (*THE BOY IN THE BATHROOM* at NYMF). The design team includes **John Jalandoni** (Scenic), **Jennifer Fisher** (Costumes), **T. Rick Hayashi** (Lighting), **Yusuke Namiki** (Sound), **Kate Freer** (*Projections*) and **Dina Paola Rodriguez** (Stage Manager).

Previous lauded outings include its sold out run of *WHO IS JORDAN BISHOP?*, the bar-hopping phenomenon *BECAUSE OF THE ECONOMY...*, and the critically acclaimed production of Strindberg's masterpiece, *A DREAM PLAY*.
